

Post-Graduate Orthopaedic Physical Therapy Courses Offered Through APTEI

Upon successful completion of each APTEI course, the Physical Therapist will receive a certificate specific to the course.

Upon the successful completion of the 5 Advanced Certification programs plus the written & practical examinations, the Physical Therapist will earn the title **Advanced Musculoskeletal Physical Therapist (AMPT)** and receive the APTEI

“Diploma in Advanced Musculoskeletal Physical Therapy” (Dip. AMPT)

If you wish to host a course at your facility, contact us and choose from any of the courses listed below.

Sincerely, Dr. Bahram Jam, PT
