

## **Post-Graduate Physical Therapy Courses** **Offered Through APTEI**

Upon successful completion of each APTEI course, the Physical Therapist will receive a certificate specific to the course. Upon the successful completion of all 12 courses and a final examination, the **Diploma in Advanced Musculoskeletal Physical Therapy** (Dip. AMPT) will be granted.

If you wish to host a course at your facility, contact me about a timeframe and choose from any of the **1-day** courses listed below.

These are all practical in-person courses with focus on immediately clinically applicable hands-on skills.

If you wish to read what students have said about APTEI course for the past 25 years, you may access over a 1000 testimonials [HERE](#).

*Sincerely, Dr. Bahram Jam, PT*
